Welcome to ICCBDCS 2025 @ University Of Manchester, U.K

We sincerely invite you to participate 2025 the 9th International Conference on Cloud, Big Data and Communication Systems (ICCBDCS 2025). It'll be held at University of Manchester, Manchester, United Kingdom during August 14-16, 2025.

Since 2017, ICCBDCS has been an annual event which was held in many places, University of Northumbria London Campus, Barcelona, St Anne's College in University of Oxford, Birmingham City University, Manchester Metropolitan University and Oxford Brookes University. In 2025, ICCBDCS will be held in Manchester. The University of Manchester is one of Britain's most famous and forward-thinking universities, with a rich heritage stretching back to 1824 and an exciting agenda for the future.

Conference Proceedings

All academic papers will be submitted to the technical committee for double-blind peer review according to the reviewing policies. After proper registration and presentation, will be published in **Conference Proceedings**. Conference content will be submitted for inclusion into **IEEE Xplore, Ei Compendex and Scopus**, as well as other Abstracting and Indexing (A&I) databases.

All papers in history were indexed by Ei Compendex and Scopus!

Call for Papers

The ICCBDCS 2025 topics include but are not limited to the following.

- Big Data Algorithms, Applications and Services
- Big Data Mining and Analytics
- Big Data Processing and Querying
- Cloud computing and semantic web technologies
- Cloud Computing Techniques for Big Data Analysis
- Cloud Optimization and Automation
- Cloud and Big Data for Internet of Things (IoT)
- Software Engineering for Cloud Computing and Big Data
- Software, hardware and algorithm co-design, high-performance computing
- Software and tools for big data management
- Cloud Computing Solutions and Platforms
- Privacy and Security for Cloud and Big Data
- Big Data Visualization
- Data-driven innovation, computational modelling and data integration
- Data intensive computing theorems and technologies
